

**REMARKS**

Claims 1-30 are now pending in the present application. Claims 31-33 have been cancelled herewith, without prejudice or disclaimer.

**I. 35 U.S.C. § 103, Obviousness**

The Examiner rejected Claims 31-33 under 35 U.S.C. § 103 as being unpatentable over MindTerm Terminal v1.1.5 (Screen Shots) in view of Network Services Guide for UNIX Users. Applicants have cancelled such claims herewith, without prejudice or disclaimer, such that this case can expeditiously pass to issuance.

Therefore, the rejection of Claims 31-33 under 35 U.S.C. § 103 is now moot.

**II. Allowable Claims**

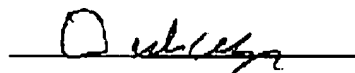

Applicants graciously acknowledge the allowance of Claims 1-30.

**III. Conclusion**

Applicants request that this amendment after final be entered as placing this case in condition for allowance, as all remaining claims after entry of this amendment have been indicated as being allowable. The Examiner is invited to call the undersigned at the below-listed telephone number if in the opinion of the Examiner such a telephone conference would expedite or aid the prosecution and examination of this application.
